Rep. Kind's Statement on Republican Budget Proposal

La Crosse, WI –Today, the United States House of Representatives voted on a Republican budget that would take steps to defund the Affordable Care Act and increase the national debt by 9.5 trillion dollars. Below is Rep. Kind's statement:

"This misguided budget proposal not only takes steps to take away over 140,000 Wisconsinites' access to affordable and quality health care, but it also increases the national debt by an astronomical 9.5 trillion dollars leaving a legacy of debt for our children and grandchildren. If Senator Bill Proxmire were still alive, this budget would be a top contender for his Golden Fleece Award," said Rep. Kind.
