WALKER ANNOUNCES DONATION FOR SUMMER LIFEGUARDS

MILWAUKEE – County Executive Scott Walker thanked the Lubar Family Foundation for a \$65,000 donation to bring back lifeguards at Bradford Beach for summer 2008.

“Shel and Marianne Lubar have offered a generous gift to provide lifeguard services at Bradford Beach this summer,” said Walker. “I appreciate that their foundation has filled a need that will add to our public safety efforts for visitors to the beach.”

Bradford Beach has seen increased activity with the addition of planned recreational events for the public.
