SPEAKER-ELECT VOS ANNOUNCES ASSEMBLY CO-CHAIR AND VICE CHAIR OF JOINT FINANCE COMMITTEE

Madison...Assembly Speaker-elect Robin Vos (R-Rochester) announced today that he has appointed Rep. John Nygren (R-Marinette) to serve as the Assembly Co-Chair of the Joint Committee on Finance for the 101st Wisconsin State Legislature. Speaker-elect Vos also appointed Rep. Pat Strachota (R-West Bend) as Vice-Chair of the committee.

"I have full confidence in Rep. Nygren and Rep. Strachota in leading the Assembly to pass another balanced state budget without a tax increase," said Speaker-elect Vos.

"Rep. Nygren's small business knowledge coupled with his legislative expertise in budgeting and insurance will be essential as we work to help the private sector create jobs," said Speaker-elect Vos. "He also has a critical eye toward combating fraud, waste and abuse and that will be extremely important as we embark on a new legislative session."

"I look forward to working with lawmakers from both parties and the governor on reducing taxes and creating private sector jobs in Wisconsin," said Rep. Nygren, new Assembly Co-Chair of the Joint Finance Committee.

"Rep. Strachota's past experience on the committee is invaluable," said Speaker-elect Vos. "She knows the importance of protecting the state's essential services while always maintaining the best interests of the taxpayer."

"Like families across Wisconsin, we will continue to spend only the money that we have," said Rep. Strachota, new Assembly Vice-Chair of the Joint Finance Committee. "We will continue to help businesses create jobs, make government more efficient and be good stewards of taxpayer dollars."
