Representative Hesselbein Announces Committee Assignments for 2017-19 Legislative Session

Madison - Today, Representative Dianne Hesselbein (D-Middleton) announced that she will serve on five standing committees when the Wisconsin State Legislature kicks off the 2017-19 legislative session. Rep. Hesselbein will continue to serve as the ranking Democrat on the Assembly Committee on Veterans Affairs. First elected in 2012, Rep. Hesselbein will be sworn in for her third term in the Wisconsin State Assembly. Below is a full list of the committee assignments for Rep. Hesselbein, as decided by Assembly Minority Leader Peter Barca:

Assembly Committee on Veterans and Military Affairs (Ranking Democrat)

Assembly Committee on Natural Resources and Sporting Heritage

Assembly Committee on State Affairs and Government Operations

Joint Committee on Legislative Council

Assembly Committee on Assembly Organization

Rep. Hesselbein released the following statement after learning of her committee assignments for the upcoming legislative session:

"I want to thank Assembly Democratic Leader Peter Barca for appointing me to these important standing committees for the upcoming legislative session. These committee assignments will allow me to continue to be a leading voice for our state's military veterans, while also being able to work on legislative issues important to the taxpayers of the 79th Assembly District.

"With the legislature set to come back into session, I am looking forward to working on these committees. Thorough committee work is incredibly important to the legislative process and there is no doubt I will have the opportunity to work on several important pieces of legislation as a result of these committee assignments. Whether it be standing up for our state's veterans, protecting access to our unrivaled natural landscapes, or ensuring our government works in an open and transparent manner on behalf of the taxpayers of this state, there is much work to be done in the legislature. I hope the vigorous work ethic I will bring to these committees will be matched by my legislative colleagues on both sides of the aisle as we work to move Wisconsin forward.

"Again, I want to thank Assembly Democratic Leader Peter Barca for appointing me to these important standing committees in the Wisconsin State Assembly. It is an honor to serve in the State Assembly on behalf of my constituents."
