“As inauguration day is upon us, I want to take this time to reflect on how far we have come as a community and how proud I am to serve as State Senator for Wisconsin’s 6th Senate District,” said Sen. Johnson. “It is an incredible honor and privilege to take this oath today, and I will continue to fight passionately for my community in the very same way that I have in the Assembly over the past four years.”

Senate Committee on Public Benefits, Licensing & State-Federal Relations (ranking Democrat)
Senate Committee on Economic Development, Commerce & Local Government
Senate Committee on Education
Senate Committee on Health and Human Services

“This session, I will fight to provide the best education opportunities for our children, enact reforms to curb the tragic and senseless epidemic of gun violence in our community, promote access to quality and affordable healthcare, and build ladders of opportunity for our neighbors to thrive and succeed in life,” said Sen. Johnson.

Sen. Johnson encourages all constituents who have questions about legislative matters to contact her office, located in Room 22 South of the State Capitol, by email at Sen.Johnson@legis.wi.gov, or by phone at 608.266.2500.
