**WISCONSIN PROPERTY TAXPAYERS, INC. CONGRATULATES  
NEW LEGISLATURE ON INAUGURATION DAY**

MADISON - Wisconsin Property Taxpayers, Inc. today issued the following statement on the beginning of the 103<sup>rd</sup> Legislative session:

"WPT, Inc. would like to congratulate current and newly-elected members in both houses on this afternoon's inauguration of the state's 103<sup>rd</sup> Legislature. We wish all members both success and inspiration as they begin the next two-year journey in the State Capitol. We look forward to working with lawmakers to ensure that property taxes in our state continue to decline so families and small businesses see further relief and more money to invest in their futures.

"As a statewide nonpartisan organization with nearly 20,000 members consisting of small businesses and family farms in every corner of the state, WPT will continue to promote fiscally-sound policies that benefit all Wisconsinites in the years to come.

"We would also like to congratulate Republicans on their increased majorities in both houses, and look forward to working with members on both sides of the aisle to promote policies that move Wisconsin forward."
