**Rep. Zamarripa: Statement on conservative Milwaukee Alders' invitation to President-Elect Trump**

“The people of Milwaukee’s near south side live in fear of Mr. Trump’s shameful, mean spirited, and bigoted campaign promises and rhetoric. His words have struck a chord of fear with many of my constituents in Milwaukee and throughout our great state. If Mr. Trump accepts an invitation to visit Milwaukee, I hope his visit brings a message of inclusiveness and tolerance as opposed to another message of divisiveness and fear aimed at our underrepresented and most vulnerable communities.”
