Rep. Nygren Sworn in for Seventh Term

Madison--State Representative John Nygren (R-Marinette) released the following statement immediately after the 2019 Inauguration Ceremony:

“I am humbled and honored to have been elected to serve the constituents of the 89th Assembly District for my seventh term. My plan in the Assembly is to continue building upon the successes of the last eight years. Historically, Wisconsin is in strong fiscal shape.”

The state ended fiscal year 2018 with a positive balance of \$588.5 million. The state also deposited \$33.1 million into the state Budget Stabilization Fund. The balance is now \$320.1 million, the largest balance in state history and 190 times larger than the balance in fiscal year 2010.

“Our reforms over the last few legislative sessions are working, and I am proud of the improvements we’ve made. The numbers don’t lie, our unemployment rate continues to be the lowest it has been in years, at the same time, the tax burden is the lowest it has been in over 50 years. These results show our conservative reforms are working. Now is not the time to undo our reforms and I look forward to continuing our work in the next session.”

Representative Nygren has been appointed to serve his fourth term as Assembly Co-Chair of the budget-writing Joint Finance Committee. He also serves on the Committee on Substance Abuse and Prevention, Joint Legislative Audit Committee, Joint Legislative Council Committee, and the Joint Committee on Employment Relations

The 89th Assembly District includes Marinette, Oconto, and a portion of Brown Counties.
