### **Statement of Mayor Paul Soglin on Announcement that United Airlines Will Provide Daily Non-Stop Service to San Francisco**

I welcome the news that United Airlines will be providing daily non-stop service to San Francisco. I appreciate the work of officials at the Dane County Regional Airport and those of United Airlines, and congratulate them on reaching this agreement.

In June of 2013, I traveled to Chicago and met with United Airlines officials in support of flights like this. It is great that not only vacationers, but also businesses, will have access to this important destination.
