Make grandma the star of the 2019 We Energies Cookie Book

Milwaukee - From cracking the very first egg to learning how to mix the dough, many bakers have sweet memories of baking their favorite cookies with grandma. Although your sweet tooth may be recovering from holiday baking, our sugar rush is still going strong as we begin to plan the 2019 Cookie Book. This year we would like you to join in the fun as we feature recipes from grandma.

Submit a special recipe your grandma made and a cherished memory you have of baking with her. If you're a grandparent who has a favorite recipe you make with your grandchildren, we encourage you to submit your information, too.

So dig deep into grandma's recipe box and share the cookie's special instructions and your favorite baking memory at we-energies.com. Submissions will be accepted through March 1, don't delay.

This is the 91st anniversary of the first We Energies Cookie Book. For families, our cookie book is a holiday tradition that is shared across generations.

The 2019 We Energies Cookie Book is scheduled to be available in November.
