## **Humphries Applauds Governor Walker's Comments on Education in State of the State Address**

*Candidate for State Superintendent John Humphries released the following statement in  
response to the Governor's State of the State Address:*

"I applaud the forward-thinking ideas Governor Walker presented in today's State of the State address on how we can increase educational outcomes for ALL students in Wisconsin.

As State Superintendent of Public Instruction, I look forward to working with Governor Walker and legislators from both parties to ensure every child, no matter their background, has access to a great education."
