Rep. Hutton: Working with Gov. Walker to Win for Wisconsin

MADISON – Representative Rob Hutton (R-Brookfield) issued the following statement in response to Governor Walker’s State of the State address, which was given to the joint session of the Wisconsin State Legislature on Tuesday afternoon.

“I was encouraged to hear the goals put forward by Governor Walker during the State of the State address. As the Governor stated, we have made real progress in lowering taxes and in creating an environment that increases economic opportunities for all citizens in our state.”

“Wisconsin’s unemployment is at the lowest rate in 15 years and more people are employed now than at any point in Wisconsin history. Property taxes are down and we are projected to end this budget with a surplus. The future is indeed bright.”

“I look forward to partnering with Governor Walker to find solutions for the issues that still confront our State. We must continue to improve career readiness through expanded educational opportunities and eliminate government inefficiencies in order to ensure that we are providing the best value for taxpayers.”
