## **Rep. Kooyenga's Statement on the Governor's State of the State Address**

Madison – State Representative Dale Kooyenga (R-Brookfield) released the following statement regarding the Governor's 2017 State of the State Address:

"I too am optimistic about the state of the State. Unemployment is lower and our expectations are higher. We are chipping away at burdensome regulations, moving toward a pro-growth tax code and meeting the needs of our most vulnerable citizens while keeping our eye on the bottom line. However, we are not content with the status quo and I am equally optimistic we can come together to meet the challenges we face.

From juvenile justice reform to the struggles at MPS to meeting our transportation needs while protecting the taxpayer, I know we can do the work the great people of this great state expect us to do. It is an honor to be a part of the Assembly Republican team who will help lead the way and who are already hard at work this session."
