Rep. Novak Statement on State of the State Address

MADISON – Rep. Todd Novak (Dodgeville) made the following remarks after Governor Walker’s State of the State address on Tuesday afternoon:

“I am encouraged by the message put forth by our governor this afternoon. There is no doubt that Wisconsin’s best days are ahead. We have made impressive progress since 2015 and this legislative session will be no exception.”

“The Governor spoke to the gains we’ve made on jobs and workforce development, specifically mentioning the effect rural public schools, transportation, and broadband access have on the development of our future workforce. These issues highlight my legislative priorities going into the upcoming session and I look forward to working with Governor Walker to address the challenges we face in the 51st District.”
