## **Rep. Spiros Statement on State of the State Address**

**Madison** – State Representative John Spiros (R-Marshfield) issued the following statements after Governor Walker’s State of the State address, which was given to the joint session of the Wisconsin State Legislature on Tuesday afternoon.

“After watching Governor Walker’s address this afternoon, I remain confident the state of the state is strong. Governor Walker was able to demonstrate that our state is indeed moving in the right direction.

“I’m excited about most of the goals Governor Walker has laid out for this year. Workforce development has been a priority of mine since first elected four years ago, and I still believe we have room to grow in this area.

“I’m pleased to see Governor Walker has similar priorities to those outlined in the Assembly Republican Forward Agenda, and I believe it will allow us all to work together to grow the economy and improve education in Wisconsin.”
