Rep. Steineke on Gov. Walker's State of the State Address

MADISON – Governor Walker delivered his State of the State address today in front of both houses of the Wisconsin Legislature. Following the speech, Representative Jim Steineke (R-Kaukauna), the Majority Leader of the Wisconsin Assembly, released the following statement:

“Each January for the past seven years we have been able to celebrate and tout the reforms that we know are working. The Governor and those of us in the Legislature are proud to support an agenda that lowers the tax burden, incentivizes strong workforce growth, and expands educational opportunities across the state.

“Assembly Republicans remain as committed as ever to improving our state's business climate, protecting taxpayer dollars, and supporting quality education.”
