Wisconsin Procurement Institute Names New Board Member

The Wisconsin Procurement Institute is pleased to announce Sean Ketter, Vice President, Supply Chain Operations, Oshkosh Corporation has joined its Board of Directors.

Mr. Ketter's responsibilities include overall supplier performance, process management, technology and supply chain risk management for Oshkosh Corporation globally. Mr. Ketter has worked at Oshkosh Corporation since 2006. He is a member of WEDC's Transformational Productivity Initiative Steering Committee and serves as an executive board member of the University of Wisconsin School of Business Erdman Center for Operations and Technology Management.

"We are very pleased to have Mr. Ketter join the Board of the Wisconsin Procurement Institute. He will bring a unique knowledge and expertise to the table which will support WPI's work in developing strong and successful federal contractors in addition to bringing increased federal dollars to Wisconsin." said Bill Hughes, Partner, Husch Blackwell LLP, and WPI's Board Chair.

Sean Ketter joins WPI Board Chair Bill Hughes and Board members, Jean Marie Thiel, Belonger Corporation; Todd Bentley, Bentley World Packaging; James Kerlin, Beyond Vision, Rod Copes, Heale Manufacturing; Richard Deschauer, DRS Power & Control Technologies; Baly Ambegaoker, CENTERPOINT Inc.; Herb Miller, Michels Corporation; Mayor Steve Cummings, City of Oshkosh; Jim Schutt, Schutt Industries; Andrew Bergholz, TAPCO; Dr. Robert M. Meyer, UW-Stout; Barb LaMue, WEDC and Aina Vilumsons, WPI.

WPI is a non-profit organization established in 1987 to help Wisconsin businesses win federal contracts, especially defense contracts. WPI staff and extensive network of partners provided technical and professional expertise to Wisconsin businesses. WPI's mission is to assist Wisconsin business in growing their federal, state and local government sales, profits and jobs. WPI is headquartered at the Technology Innovation Center in Milwaukee with offices in Madison, Camp Douglas, Stevens Point and Appleton.
