*HAND DELIVERED*

Dear Majority Leader Fitzgerald and Speaker Vos,

Thank you again for the opportunity to address your joint caucus this week.

As I mentioned, I think there are many areas where we can work together to get things done for the people we were elected to serve, and I have been encouraged by Speaker Vos' statements that he wanted to find common ground.

In that spirit of compromise and bipartisan collaboration, I would like to invite you to meet with me in my office this Friday, January 18<sup>th</sup>, at 8:30am, to discuss a solution to expand affordable healthcare for Wisconsinites.

I believe that AB 1 is an important first step towards ensuring there are protections for people like me and 2.4 million Wisconsinites who are living with a pre-existing condition, but we can--and must--do more for the people of our state. I hope that we can meet to discuss how AB 1 can be improved to truly do so.

People want to see Republicans and Democrats working together to get things done and this is one of the most important issues facing families across our state. I know that we can work to find common ground when it comes to protecting healthcare for Wisconsinites.

Sincerely,
