Rep. Macco Chairs First Assembly Committee on Ways and Means Meeting of 2019-2020 Legislative Session

Madison...Today, State Representative John Macco (R-Ledgeview) chaired the first Assembly Committee on Ways and Means meeting of the 2019-2020 legislative session. Representative Macco released the following statement:

“I am pleased to welcome several new members to the Assembly Committee on Ways and Means, including the new committee Vice Chairman, Robert Wittke (R-Racine). Rep. Wittke is a tax and financial expert with over two decades of experience in the field. I look forward to working with all of the committee members to craft legislation that provides sustainable tax relief to the working families of Wisconsin. It is critical that we continue the positive economic momentum in our state – to ensure that Wisconsin remains a great place to raise a family and retire and for businesses to create jobs,” said Rep. Macco.
