FOR IMMEDIATE RELEASE

STATEWIDE CONCRETE DESIGN AWARD WINNERS

Wisconsin Ready Mixed Concrete Association recognizes excellence in concrete design.

Madison – The Wisconsin Ready Mixed Concrete Association has recognized the winners for the 35th Annual Concrete Design Awards.

The awards are a part of a prestigious program showcasing best uses of ready-mixed concrete in Wisconsin and Michigan's Upper Peninsula (UP). The Wisconsin Ready Mixed Concrete Association (WRMCA), Acuity, Euclid Chemical, FiveCubits, GCP Applied Technologies, Ozinga Ready Mix, Sika, and the Wisconsin Chapter of the American Concrete Institute cosponsored the annual award program, now in its 35th year. Award winners were determined by a distinguished panel of Wisconsin/UP educators and construction professionals.

The award program recognizes excellence in the ready-mixed concrete industry in the following categories: Agricultural, Commercial, Decorative, Education, Healthcare, and Public, ICF, Industrial, Facility, Municipal Infrastructure, Other, Parking Lot, Tilt-Up and regional projects.

The Concrete Design Award Ceremony took place on Thursday, January 12th at the Kalahari Resort in Wisconsin Dells.

This year's award-winning projects exemplify innovative design in concrete for a diverse range of projects in Wisconsin and Michigan's Upper Peninsula.

For the 35th Annual Concrete Design Awards, projects showcased represented winners that included owners, architects, engineers, contractors and ready mixed producers.

For more information, please contact Cherish Schwenn at cschwenn@wrmca.com or at 608.250.6304.

The Wisconsin Ready Mixed Concrete Association is a statewide trade association consisting of ready-mixed concrete producer and associate members throughout the state and Michigan's Upper Peninsula. Its mission is to advance the ready-mix industry through legislative action, promotion, and education.
