## **Rep. Steffen Supports Transportation Solution and Tax Relief Plan**

**Madison-** In response to today's [Legislative Fiscal Bureau memo](#), which revealed Wisconsin will have an additional \$2 billion in revenue to utilize in the upcoming budget, Rep. Steffen (R-Howard) issued the following statement:

“I strongly support the framework put forward by Assembly Republicans to use this additional revenue as a great opportunity to help our hardworking taxpayers, while at the same time addressing the needs of our state, particularly in funding our transportation needs.

I look forward to working with my colleagues in the Assembly to continue developing the details of this budget framework in the upcoming months. This is incredible news for Wisconsin!” said Rep. Steffen.
