Madison- State Representative David Steffen (R-Howard) was honored by Wisconsin Manufacturers & Commerce today for his efforts in the 2015-16 legislative session in supporting Wisconsin's business community. The prestigious "Working for Wisconsin" award is presented to lawmakers who consistently work to support pro-growth legislation focused on creating jobs and advancing our state's business climate. Rep. Steffen was presented the award at Valley Packaging Supply Company in Green Bay.

"I am incredibly honored to be receiving the "Working for Wisconsin" award. During my first term as a State Representative, it was one of my top priorities to find ways to continue growing our state's economy by ensuring Wisconsin is a place where businesses can thrive, jobs are being created, and new businesses are opening their doors. This session, I look forward to continuing with my efforts to promote pro-job legislation," said Rep. Steffen

The "Working for Wisconsin" award is presented to legislators who score 80% or higher on WMC's legislative scorecard. Representative Steffen earned a 96% for the 2015-16 legislative session.
