Rep. Duchow Votes to Protect Pre-Existing Condition Coverage

Madison, WI –State Representative Cindi Duchow (R-Delafield) issued the following statement after voting to protect Wisconsinites with pre-existing conditions:

“As someone who has a child living with a pre-existing condition, I know and understand how important this is. Being able to share my story and hear from my colleagues was incredibly impactful. It is a testament to why I am committed to ensuring everyone has access to healthcare, regardless of a prior health condition. It is important to me that our loved ones are covered.”

Rep. Duchow joined her Assembly colleagues in session today taking up [Assembly Bill 1](#), which provides protection for those with pre-existing conditions in Wisconsin. Specifically, AB-1 seeks to prevent insurance companies from: denying policy coverage to someone with a pre-existing condition, refusing to cover services one may need to cover a pre-existing condition, and prevents insurance companies from charging a higher premium based on a person’s health status.

“Today I voted in favor of protecting pre-existing conditions and in favor of eliminating life-time caps. With one in six people living with a pre-existing condition, it is important to me that Wisconsin’s families are covered.”
