FRONTIER AIRLINES ADDS GREEN BAY WISCONSIN TO THE FRONTIER NETWORK WITH NEW NON-STOP SERVICE TO DENVER

Fares as low as \$49*

Green Bay, Wis. - Low-fare carrier Frontier Airlines announced the addition of Green Bay, Wisconsin as a new city in the Frontier network, with the only non-stop service from Green Bay Austin Straubel International Airport to Denver International Airport. To celebrate the new routes, Frontier is offering a special introductory one-way fare of \$49*, which is available now on flyfrontier.com.

“We are proud to bring our unique brand of Low Fares Done Right to Green Bay,” said Will Evans, Senior Manager, Sales and Distribution. “We will make air travel more accessible and affordable for everyone in northeast Wisconsin, making it easier for people to fly and for people to fly more often.”

Frontier is focused on more than low fares. The carrier offers customers the ability to customize travel to their needs and budget. For example, customers can purchase options a la carte or in one low-priced bundle called the WORKSm. This bundle includes refundability, a carry-on bag, a checked bag, the best available seat, waived change fees and priority boarding.

“This exciting service development is truly a reflection of our region’s strong economy and the support of our community members. Green Bay Austin Straubel International Airport (GRB) is a key piece of infrastructure for our community that contributes significantly to our local economy. And as one of the “front doors” to Green Bay and Northeast Wisconsin, growing GRB’s service is very important. With this new non-stop flight option, leisure travelers will be able to save time and money,” said Troy Streckenbach, County Executive.

The airline’s frequent flier program, *FRONTIER Miles* lets members enjoy many benefits as well as attain Elite status. Like the airline, *FRONTIER Miles* is family friendly, and the program makes it easy for families to enjoy the rewards together, including family pooling of miles. *FRONTIER Miles* is aptly named, because you earn one mile for every mile flown - no funny formulas at Frontier. If a customer travels a little or a lot, they will find *FRONTIER Miles* rewarding.

“We very much look forward to offering the community and the region this new Denver non-stop route with Frontier Airlines. With the convenience of GRB’s location and size, getting to Denver can now easily be a stress-free and affordable trip. This new airline and route is a direct result of the community’s support in choosing to fly local at GRB. We would like to thank the community and invite them to take advantage of flying non-stop to Denver from GRB,” said Marty Piette, A.A.E., Airport Director.

Frontier flies one of the youngest fleets in the industry, the Airbus A320 Family of more than 80 jet aircraft. With nearly 200 new planes on order, Frontier will continue to grow to deliver on the mission of providing affordable travel across America. Frontier’s young fleet also ensures that the company will continue to keep fares low and that customers will enjoy a pleasant and reliable experience flying with the airline.

Frontier wants its customers to have more options when they fly and there is no fee for reservation changes made 90 days or more from the travel date. If you need to make a change between 89 and 14 days from departure, the fee is only \$49. Changes made 13 days or less from travel cost \$119. When making a change, customers just pay any increase in fare that applies.

Service is seasonal, and frequency and times are subject to change, so please check FlyFrontier.com for the most updated schedule.
