## Protecting Pre-existing Conditions

(Madison, WI) Representative Michael Schraa (R-Oshkosh) voted in favor of extending health insurance coverage to protect Wisconsinites with pre-existing conditions.

“Right now, pre-existing conditions are covered, but if and when Obamacare is declared unconstitutional, that will no longer be the case. We are working proactively to make sure that protections are in place ahead of time.”

“Most of us have family and friends who would be hurt if they lose insurance coverage because of an earlier diagnosis of diabetes, cancer, or other diseases. This is especially important for self-insured families like many of the hard-working farmers and small business owners of the 53<sup>rd</sup> Assembly District.

“I appreciate my many colleagues on both sides of the aisle who put politics aside and did what is right for the people of Wisconsin.”
