PRESS RELEASE for IMMEDIATE RELEASE
WSCA Announces Program of Promise Award Winners
For immediate release – January, 2019

Milwaukee, WI. – This year, ten school counseling programs met/exceeded the requirements for Program of Promise award and will receive their awards at the annual Wisconsin School Counselor Association (WSCA) conference in Madison, WI on February 7, 2019.

The Program of Promise award is the highest recognition that a comprehensive school counseling program can receive from WSCA. School counselors submit a Wisconsin School Counseling Program Accountability Report (WSCPAP) highlighting their data driven program, student results in the career, academic, and social emotional domains, and school climate and safety. The peer reviewed WSCPAP must meet and exceed stringent content standards for award consideration. WSCPAP's are reviewed once per year by a panel of school counseling professionals with the next submission deadline being October 15, 2019.

“Completing and submitting a WSCPAP to WSCA shows a commitment to advancing, creating, and maintaining a comprehensive and data driven school counseling program,” said Stacey Miller, WSCPAP Coordinator. “Meeting and exceeding the standards for the Program of Promise award grants recognition in front of your colleagues.”

Program of Promise award winning schools include:

Burlington High School – Burlington Area School District
