PRESS RELEASE for IMMEDIATE RELEASE

**Brandon Kurshinsky-Xello/Method Test Prep High School Student Scholarship**

PRESS RELEASE for IMMEDIATE RELEASE

**Brandon Kurshinsky-Xello/Method Test Prep High School Student Scholarship**

Madison, WI- Brandon Kurshinsky, a Cameron High School student, has been recognized as one of the 2019 recipients of the Xello/Method Test Prep High School Student Scholarship presented by the Wisconsin School Counselor Association. The Xello/Method Test Prep Scholarship recognizes high school senior students and the role their school counselor played in their high school success. Brandon's application included multiple examples of school counselors helping him overcome a barrier or obstacle during high school and how counselors helped him prepare for his postsecondary path. Brandon spoke highly of his experience with his school counselors. He credits these individuals for the role they played in helping him secure his post-secondary plans of joining the National Guard and pursuing a degree in Criminology.

Every February, the Wisconsin School Counselor Association recognizes students and individuals within the school counseling profession who demonstrated profound impact on the school counseling profession and lives of students. Applications for the Xello/Method Test Prep Scholarship are submitted to the Wisconsin School Counselor Association Professional Recognition & Scholarship Committee and are rated by committee of active and retired school counselors. The organization selects four individuals to receive this award. Award winners are recognized at the WSCA Annual Conference at Monona Terrace in Madison.
