Daniel Zimmerman Appointed to Serve as Department of Veterans Affairs Secretary

Madison...Sen. Olsen released the following statement after Governor Walker announced his appointment of Daniel Zimmerman to serve as the secretary of the Wisconsin Department of Veterans Affairs (WDVA).

“I want to congratulate Dan on his appointment,” Sen. Olsen said. “I have known Dan for many years and know his knowledge and experience will serve our veterans and the state well in his new role”

“During the last campaign, I promised my constituents that King Veterans Home will provide the proper care and services I would want my parents, who were veterans, to receive and Dan’s appointment is a positive step in making sure that happens.”
