COMMANDER DANIEL J. SEEHAFFER STATEMENT RE: WDVA APPOINTEE DANIEL ZIMMERMAN

“The Wisconsin American Legion welcomes Governor Scott Walker’s appointee to the Wisconsin Department of Veterans Affairs, Daniel Zimmerman. His educational background and service as an Army military intelligence officer speak well to his qualifications.

“There are many challenges facing this new leader of the agency. We look forward to working with Mr. Zimmerman as he addresses the issues that The American Legion has focused on throughout its nearly 100 years of service to Wisconsin veterans. Our commitment is to ensuring the efficacy of VA and WDVA medical facilities, eliminating veteran suicides, and ensuring job opportunities with family-sustaining wages.

“We will continue to call for improvements and we are heartened that Secretary Zimmerman seems poised to listen. We have to consistently do better for our veterans. We can do better for our veterans. Together, we will do better for our veterans”
