## **Rep. Loudenbeck Statement on Budget Address**

**Madison** – State Representative Amy Loudenbeck (R-Clinton) issued the following statement after Governor Walker’s budget address:

“Our state’s finances are on solid footing. We are in a great position to invest in priorities like education and transportation, while delivering additional tax relief for hardworking Wisconsin families.

“I look forward to working with my colleagues and our legislative service agencies to scrutinize the dollars and details in the Governor’s proposed spending plan so the final package provides the best possible investment for Wisconsin families.”
