**UW-Rock County's Spring Preview Day is March 7**

(Janesville, Wis.) The University of Wisconsin-Rock County will host a spring Preview Day for prospective students and their families Wednesday, March 7 from 5-7 p.m. The event is free and open to the public.

This campus preview will feature information on admissions, degrees and the financial aid process. Attendees will also have the chance to tour campus and hear from current students, faculty and staff. UW-Rock County is open for fall 2018 with the same course offerings and tuition.

"Preview Day offers anyone who wants to continue their education the chance to see what their local University of Wisconsin campus can offer," said Campus Administrator Kristin Fillhouer.

During campus visits, participants will be able to view labs and classrooms, athletic facilities, student common spaces and music, theatre and arts areas. Advisors will be available to discuss campus life and academic planning, including UW-Rock County's associate degree and the Guaranteed Transfer Program with every four-year UW campus.

Attendees are encouraged to register prior to the event. Visit [uwc.edu/campus-preview](http://uwc.edu/campus-preview) or call 888-INFO-UWC for additional dates, details and to RSVP. For more information about UW-Rock County, visit [rock.uwc.edu](http://rock.uwc.edu) or call the Solution Center at 608.758.6565 x200.
