Rep. Wichgers Votes for Middle Class Tax Cut

Madison, WI – State Representative Chuck Wichgers (R-Muskego) voted to provide additional tax relief for his constituents in the Assembly today. The legislation returns \$340 million in surplus tax revenue back to hard working Wisconsinites.

“I am proud to give the taxpayers back their money. State government collected more than it needed in the past two years and I know Wisconsinites will spend their money better than politicians and bureaucrats in Madison.

“The fact that we have a surplus to work with is evidence that tax cuts and better budgeting grow the economy and raise more revenue.

“Governor Evers campaigned on a middle class tax cut. This legislation should be a slam dunk for bipartisanship. It is my hope that the governor does the right thing and signs it into law.”

[Assembly Bill 4](#) increases the standard deduction for almost two million Wisconsinites. The median joint filer will realize over \$300 in tax relief and joint filers earning between \$30,000 and \$40,000 will see their tax liability almost cut in half.
