

Heal Without Harm

ETHICAL RESEARCH COALITION

Heal Without Harm is a coalition of organizations and citizens dedicated to working with the scientific community to encourage it toward ethical research. The coalition is composed of member organizations, including: Wisconsin Right to Life, Wisconsin Catholic Conference, Wisconsin Family Action and Pro-Life Wisconsin, among others.

Applauds Congressman Sensenbrenner's Efforts to Stop the Sale and Use of Abortion-Derived Fetal Tissue

On Friday, February 17th, 2017, Wisconsin Congressman F. James Sensenbrenner (R-CD 5) [introduced](#) legislation to ban the sale of abortion-derived fetal tissue by prohibiting its use in research. Furthermore, Rep. Sensenbrenner's legislation, named the Safe RESEARCH Act, would ensure that fetal tissue derived from miscarriage and stillbirth can be used in research.

The Heal Without Harm Coalition applauds Rep. Sensenbrenner's Safe RESEARCH Act, which would allow the nation to champion research that is ethical, innovative, and effective.
