**Don't miss the boat! Get your guess into the
Port of Green Bay's First Ship Contest**

FOR IMMEDIATE RELEASE

February 28, 2017

(Green Bay, WI) – Time is running out to get your guess into the Port of Green Bay's First Ship Contest. In this annual contest, the Port of Green Bay asks the community to guess the date and time of the first ship's arrival at the Port. Thanks to warm weather and ice breaking by the U.S. Coast Guard, the first ship of the season may arrive in the near future.

The U.S. Coast Guard has conducted ice breaking on the bay of Green Bay and in the Rock Island Passage to the Fox River during these winter months. Ice breaking activities are a good indicator that the official shipping season is on its way.

To make your guess in the First Ship Contest, visit www.greenbay.com/contests. The person who comes closest to the date and time of the first ship's arrival will win a prize package from the Port of Green Bay which includes a \$25 gift card from Titledown Brewery Company and a print by Sandford Photography (G.W. Jackson - Port Stanley | Sandford Photography).
