## **REP. KEITH RIPP'S STATEMENT ON WISDOT'S DECISION TO END THE I-39/90/94 MADISON TO PORTAGE CORRIDOR STUDY**

**Madison, WI** – State Representative Keith Ripp (R-Lodi) issued the following statement in response to the Wisconsin Department of Transportation (WisDOT) decision to end the I-39/90/94 Madison to Portage corridor study:

“I applaud WisDOT’s announcement to end the I-39/90/94 Madison to Portage corridor study and not approve any of the alternative options to the existing interstate system. This decision is a significant victory for families, farmers, landowners, local communities, small businesses, and the University of Wisconsin Arlington Agricultural Research Station. I am thankful for all of the neighbors and residents that participated in this process by attending various public meetings and communicating your thoughts to me. I shared many of the same concerns as my constituents regarding this project because each proposed plan would have significantly impacted both Columbia and Dane Counties. I look forward to continue working with WisDOT on other transportation priorities for the 42<sup>nd</sup> Assembly District.”

Representative Ripp serves the residents of the 42nd Assembly District, which includes portions of Columbia, Dane, Dodge, Fond du Lac, Green Lake, and Marquette Counties.
