Rep. Amanda Stuck Announces March Listening Sessions *Opportunity for Constituents to Share Questions, Comments and Concerns*

APPLETON – Representative Amanda Stuck announced four listening sessions for her constituents during March. Providing an opportunity for residents of the 57th Assembly District to share their questions, comments, and concerns about issues impacting the State of Wisconsin and the Fox Cities Community at the state level.

“With the State Legislature back in session and with the introduction of the Governor’s Biennial Budget Proposal, it is important now, more than ever, that constituents have an opportunity to meet with their Legislators to share their thoughts on the important policies and proposals before the State Legislature. I hope my constituents will stop by my office hours to share their questions, comments, and concerns with me.”
