**Statement by Wisconsin AFL-CIO President Phil Neuenfeldt on RTW Temporary Injunction Ruling**

Today's ruling is another injustice for working people. A temporary injunction is intended to halt immediate irreparable harm. Make no mistake, Right to Work will harm all of Wisconsin's workers by driving down wages and weakening safety standards across all industries and workplaces. Despite this ruling, workers will continue to organize and mobilize, through their unions, to speak out for better wages and workplace conditions for all of Wisconsin's working people.
