Republicans create chaos and confusion

MADISON, WI – Following Senator Fitzgerald’s comments to further rig special elections in Wisconsin, Senate Democratic Leader Jennifer Shilling (D-La Crosse) released the following statement:

“It’s not surprising to see another temper tantrum from Republican leaders when something doesn’t go their way. Republicans are clearly intimidated by the thought of losing power and would rather create chaos and confusion going into a tough re-election year. Rather than depriving thousands of Wisconsin families their constitutional right to representation, Senator Fitzgerald and Speaker Vos need to get it together and focus on the problems they were sent here to fix.”
