Voces de la Frontera Action issued the following statement of support for the civil rights demonstrators risking arrest:

"Trump is calling for the deportation of millions of people and is promoting attacks on Muslims and other people of color," said Christine Neumann-Ortiz, Executive Director of Voces de la Frontera Action. "His anti-worker policies are built on promoting racial antagonism and are leading to the growth of a white supremacist movement. All of us have a duty to stand up and prevent him from gaining power. **Nonviolent direct actions like tonight's send the message that millions of people in this country of all races and ethnicities will not allow Trump's plans to come to pass.**"
