## **Supreme Court Affirms Governor Evers Exceeded His Authority**

**Madison, WI** — Senator Chris Kapenga (R - Delafield) issued the following statement after the Wisconsin Supreme Court released its opinion in *Fabick v. Evers*:

“Today’s decision from the Wisconsin Supreme Court is a win for the rights of the people of Wisconsin. The American form of government has protections built in to prevent any branch of government from being too powerful. Governor Evers abused his power to repeatedly declare emergencies. His unwillingness to follow the law threw our state into a constitutional crisis. This decision reinforces that one person cannot wield unchecked power over the people of Wisconsin indefinitely.”
