Speaker Vos Statement on Wisconsin Supreme Court Ruling

Madison...Speaker Robin Vos (R-Rochester) issued the following statement on the Wisconsin Supreme Court's ruling on the governor's emergency orders.

"The Wisconsin Supreme Court confirmed what we already knew. Governor Evers exceeded his authority by issuing multiple emergency orders without consulting the legislature.

"People and businesses are free to make decisions based on what's best for them and don't need state government telling them how to live their lives."
