Rep. Bowen Praises Milwaukee Violence Prevention Partnership with area Hospitals

Milwaukee - Rep. David Bowen (D-Milwaukee) released the following statement in response to the announcement of the Milwaukee Office of Violence Prevention's "414 Life" partnership with area hospitals:

"Preventing gun violence is paramount to communities all over the State and in our 10th Assembly District in Milwaukee. Today's announcement of the new '414 Life' partnership with the City of Milwaukee Office of Violence Prevention and area Hospitals: Froedert & the Medical College of WI and Ascension WI to help combat gun violence is inspiring. I look forward to future State efforts to be a partner with local communities to keep our communities safe."
