Stores Offer Special Shopping Hours for Vulnerable Populations

Kenosha - It is important that we all take the proper precautions during this time to reduce our risk of exposure to the COVID-19 virus. However, senior citizens and those with underlying health conditions and compromised immune systems are at extra risk. As a result, a number of store are offering special shopping hours for these individuals, allowing them to purchase groceries and other necessities while limiting their interactions with the general population. These include:

- Target - 8-9 am every Wednesday
- Dollar General - 8-9 am everyday
- Walmart - 6-7 am every Tuesday
- Pick 'N' Save/Roundy's/Metro Market - 6-8 am everyday
- Festival Foods - 5-7 am everyday
- Meijer - 7-8 am, Tuesdays and Thursdays
- Woodman's - 6-8 am Wednesdays
- Costco - 8-9 am, Tuesday through Thursday
- Blain's Farm and Fleet - 8-9 am, Monday through Saturday; 10-11 am Sundays

This list continues to grow. For more information and updates related to the COVID-19 crisis, you can visit my website, <http://legis.wisconsin.gov/senate/22/wirch>.
