**Andrew Bowman Appointed as New Chairman of the
Wisconsin Petroleum Marketers & Convenience Store Association**

Madison, Wis. (April 16, 2019) –The Wisconsin Petroleum Marketers & Convenience Store Association (WPMCA) is proud to announce Andrew Bowman’s appointment as chairman of the organization’s board of directors.

Andrew, president of Stop-N-Go of Madison, Inc., is a third-generation business owner. The company has been around for 56 years. The organization has 32 locations in Wisconsin and 3 in Illinois.

While he officially started as an employee in 1991, he spent a lot of time in the stores with his grandfather and father. “I started doing ‘market research’ in the candy section when I was six,” said Bowman. “Perhaps one day my two children will become the fourth generation owners – if that’s the path they choose to take.”

Bowman has been active in WPMCA for many years. He served as a board member for two terms (2009-2012 and 2014-present). As Chairman, he has two primary goals. “I’d like to grow member involvement in the association educational programs,” he said. “I’d also like to increase our members’ presence with elected officials. I was not a believer in relationship building with officials until I started my involvement with WPMCA.”

Bowman believes WPMCA is a great resource for all members and looks forward to the coming year, working together with members to move the organization forward.

WPMCA represents over 2,000 independent petroleum marketers, convenience store owners, truck stop and travel plaza operators, automotive oil change outlets and other automotive service providers throughout Wisconsin. These companies sell over 80 percent of the motor fuel and nearly all the farm fuel and heating oil sold in Wisconsin. For more information, go to www.wpmca.org.
