Rep. Andre Jacque Endorses Ty Bodden for the 59th Assembly District

St. Cloud – Current Wisconsin 2nd District Assemblyman and candidate for the 1st State Senate District, Andre Jacque, endorses conservative candidate, Ty Bodden, to succeed Representative Jesse Kremer for the 59th State Assembly District.

Representative Jacque has a record of being one of the most conservative and pro-life Representatives in the Wisconsin State Legislature. He was elected to the Assembly in 2010 and while in office has earned the Wisconsin Family Council Legislator of the Year Award, Mothers Against Drunk Driving (MADD) Legislator of the Year (3 times), Pro-Life Wisconsin Legislator of the Year and the National Federation of Independent Business Guardian of Small Business Award. Representative Jacque has also been a champion of fighting domestic abuse in the state and received many other awards for his service.

Representative Jacque stated, "Ty Bodden has a proven track record of working to advance the conservative cause and a long history of success working tirelessly for strong conservative candidates at the state and local level. He is a passionate pro-life advocate who will be an excellent addition to the State Assembly."

Ty has worked for and assisted in past campaigns for Rep. Jesse Kremer, Rep. Ron Tusler, and Senator Duey Stroebel, to name just a few. Ty has helped the most conservative and principled candidates in their perspective races get elected to office his entire life. Ty is a strong pro-life advocate and defender of the Constitution. He plans on advancing Heal Without Harm and other pro-life legislation.

Ty stated, "I am thankful for Representative Jacque's support and I am hopeful for the opportunity to work alongside him in the legislature. Representative Jacque never waivers on the issues and is always true to his beliefs. The fight for the unborn is not finished and there is so much more that must be done to save as many lives as possible. According to Wisconsin Right to Life, 18 unborn babies die from abortion each day in this state. We need to fight for the rights of each one of those sacred lives and do our best to get that number to zero. Representative Kremer fought hard for the unborn and I will work just as hard to do the same."
