

Representative Rohrkaste Announces Re-Election Run

Neenah-State Representative Mike Rohrkaste (R-Neenah) is announcing he's running for another term in the Wisconsin State Assembly to represent the 55th Assembly District.

"It's a privilege to serve the residents of the Fox Cities and Wisconsin," said Rep. Rohrkaste. "I enjoy working on your behalf to make our community an even better place to live, work, and enjoy life."

Rep. Rohrkaste has been a Neenah resident for over twenty years, and was formerly a human resources executive for Menasha and Oshkosh Corporations. This past session, Mike fought to continue to lower state income taxes, and provide over \$600 million dollars in funding increases for our K-12 public schools and the UW-System. He has worked to improve youth based mental health services as well as elder care services, particularly for those living with Alzheimer's and Dementia. And, Mike has continued the fight to reform public benefit programs, ensuring those who need the help are getting it.

"This has been an extremely productive legislative session. We worked across the aisle as evidenced by the over 90 percent of bills that were passed with bipartisan support. This includes ten bills that I authored, most significantly the breast tissue density bill that provides more clinical information to women about breast cancer risks. This issue was brought to me by one of my constituents, Gail Zeamer."

“As I listen to individuals and employers in my district I also hear that they can’t find enough skilled workers,” added Rep. Rohrkaste. “I have sought to address this shortage by legislation to increase worker training opportunities in robotics and apprenticeship programs, and to develop strategies to attract and retain more skilled workers in Wisconsin. My primary goal is to act as a voice for my constituents in Madison and I will continue to work on your behalf providing real results for everyone in the Fox Cities.”

The 55th Assembly District includes the communities of Neenah, Fox Crossing, Clayton, Larsen, Grand Chute, Greenville, and Appleton.
