**Senator Lazich's Statement about Federal Judge Adelman
Ruling on Wisconsin's Voter ID Law**

Madison- State Senator Mary Lazich (R-New Berlin) released the following statement after Federal Judge Adelman ruled against Wisconsin's Voter ID Law:

"I am disappointed and not surprised by Judge Adelman's decision. I fully support the Attorney General in his appeal of this decision. Voter ID ensures the age old principle of one vote for one person. My goal of transparent, open elections free from suspicion of fraud will not be deterred by judicial activism."
