Speaker Vos Statement on Possible Repeal of Rule Waiving Work Search Requirement

Madison...Speaker Robin Vos (R-Rochester) released the following statement about the possible repeal of Governor Evers' emergency rule waiving the work search requirement for Unemployment Insurance.

“With the pandemic under control we need to get people back into the workforce so Wisconsin's economy can continue to recover. When the work search requirement was waived last year, thousands of Wisconsinites were out of work because businesses were shut down by the response to the pandemic.

“Now our economy is open, millions are vaccinated and businesses need workers. The governor's emergency rule suspending work-search will expire in July, but we cannot wait any longer. The legislature is prepared to repeal the rule so we can get people back to work.”
