Shrader Statement on the Retirement of State Rep. Ed Brooks

“I want to begin by thanking Ed for his many years of service to both our state and our country. We have worked together in a variety of ways over the years with Ed serving on our Town Board and as our State Representative. While we didn’t always see eye to eye on issues, there are times such as this when it is more important to focus on humanity rather than our differences. Mindy and I wish Ed and his family the best – they are in our thoughts and prayers.”
