## **Shilling statement on Foxconn scaling back investment**

MADISON, WI – Following the announcement that Foxconn will cut back on their initial investment in Wisconsin, Senator Jennifer Shilling (D-La Crosse) released the following statement:

“I have serious concerns that Foxconn’s reputation for abandoning projects and failing to deliver on their promises is coming to fruition. Gov. Walker and legislative Republican’s negligence to enforce various safeguards that protect taxpayers and hold Foxconn accountable could have serious implications on local suppliers. It’s clear that the \$4.5 billion Foxconn gamble has become an albatross instead of the golden goose Gov. Walker thought it would be.”
